

Dear Students and Parents,

Namaste,

As you all are aware that our Hon. Prime Minister Shri Narendra Modi ji has announced Nationwide lockdown from 4th May till 17th May 2020.

In view of this, our institution will remain closed during this period.

All the exams have been postponed and lectures have been cancelled.

Students will come for exam depending on the Government and University announcement. Timetable will be displayed on college website.

To save yourselves and our country do the following as suggested by Hon. Prime Minister

- 1. Maintain physical distance with others and stay within confines of your home.**
- 2. Social distancing is must for each citizen and each family.**
- 3. Carelessness of few can put you, your family and entire nation in grave jeopardy.**
- 4. We can save ourselves only if we do not cross laksman rekha of our homes.**

Do your part by remaining at home. Take proper care of your health and your family. Spend quality time with your loved ones. Study properly. Have compassion for underprivileged. Use public resources responsibly and prove to be a responsible citizen.

Let's conquer Coronavirus.

Together we can

Principal
