Orientation Program -The Department of Commerce

Orientation Program -The Department of Bachelor of Science, Computer Science, Information Technology and Bachelor of Arts in Multimedia and Mass Communication

Report

The Department of Management Studies, Bachelor of Accounting and Finance and Bachelor of Banking and Insurance, Department of Commerce, Department of Bachelor of Science, Computer Science, Information Technology and Bachelor of Arts in Multimedia and Mass Communication organised an Orientation Programme for the First-Year students on 22nd June 2026 to familiarise them with the college environment, academic structure, and campus facilities.

The programme began with a prayer, followed by a welcome address by BMS Co-ordinator, Assistant Professor Mrs. Yogita Sawant, who encouraged students to participate actively in academics and extracurricular activities while maintaining discipline and professionalism. The Vice Principal, Mr N. K. Patil, addressed the students, highlighting the importance of regular attendance, discipline, and continuous learning. Assistant Professor Mr. Navaj Mulani conducted an informative session on the BMS curriculum, examination pattern, attendance, college rules, student support services, library facilities, and career guidance opportunities. Dr. Kishor Chauhan, BAF & BBI Co-ordinator, encouraged the students to participate in co-curricular activities alongside academics. Assistant Professor Mrs. Kavita Manoj encouraged the students to make the best use of the college's academic and co-curricular opportunities. Assistant Professor Mrs. Prema Bardhan briefed the students on the academic rules and regulations, examination procedures, attendance requirements, student support services, and the various co-curricular and extracurricular activities offered by the college. The insights of Science were demonstrated by Dr. Harshada Niju and Assistant Professor Janhavi Kshirsagar, Co-ordinator of CS and IT, who conducted the informative session on the academics as well as the study of technology in various aspects. Dr. Sunitha Joshi, Co-ordinator of MSc. IT briefed about the Examination structure and credit scores. Dr. Savitri Dholey, Co-ordinator of the BAMMC department, encouraged the students to understand the role of media in the recent trend and called for a creative way of studying the curriculum.

Counselling Cell Orientation Program for First-Year Students

13.07.2026

The Counselling Cell & Mental Well-being Team of JVM's Degree College, Airoli, organized an Orientation Programme for First-Year students to introduce them to the counselling services available in the college and promote awareness about mental health and emotional well-being.

The session was conducted by **Mrs. Karuna Khithani**, who explained the objectives and services of the Counselling Cell, emphasising that it provides a safe and confidential space for students to seek guidance on academic, personal, emotional, and career-related concerns. She also discussed common challenges faced during the transition to college, including stress, time management, peer pressure, and self-confidence, while sharing practical strategies to maintain emotional well-being and resilience. The interactive session encouraged students to ask questions and actively participate. The programme concluded with a vote of thanks to the resource person. Overall, the orientation successfully familiarized students with the Counselling Cell and encouraged them to seek support whenever needed, fostering a positive and student-friendly campus environment.

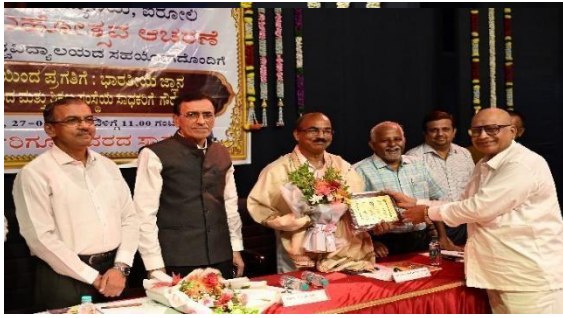

Silver Jubilee Celebration

From Tradition to Transformation: Exploring the Indian Knowledge System & Honouring the Achievers of the Education Trust

27.06.2026

Report

The event was presided over by **Shri V. N. Hegde**, Hon. President, Jnana Vikas Mandal. **Dr. G. N. Upadhya**, Head, Department of Kannada, University of Mumbai, delivered the keynote address on the Kannada version of the *Indian Knowledge System*. At the same time, **Shri Chandrashekhar Palethady**, Editor of *Karnataka Malla*, Mumbai, attended as the Guest of Honour. The programme was also graced by the presence **Shri . V. B Mugali**, Hon. Gen Secretary, Shri. **John P.Thomas** , Hon. Jt. Gen Secretary, and other committee members. We are honoured by the presence of our esteemed founder, **Shri. M.S Bhoomreddy**, whose vision and dedication laid the foundation for the institution's journey of excellence.

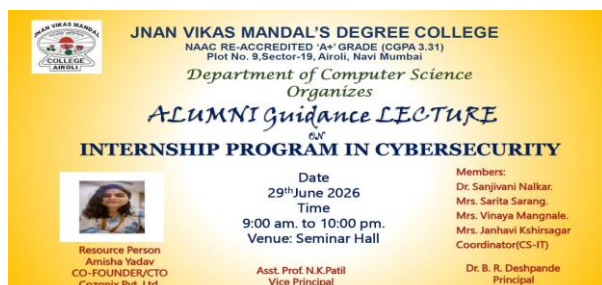

A special highlight of the celebration was the felicitation of distinguished achievers and senior members of the Education Trust for their remarkable contributions to education and society. Cultural performances by students added colour to the occasion by reflecting India's rich heritage and values.

The programme, successfully organized under the guidance of **Dr. B. R. Deshpande**, Principal, and **Prof. N. K. Patil**, Vice Principal, marked a memorable milestone in the institution's Silver Jubilee journey and reaffirmed its commitment to preserving Indian knowledge traditions while promoting academic excellence and innovation.

Department of Computer Science Alumni Guidance Lecture

Topic: Internship in Cyber Security

29.06.2026

Report

An Alumni Guidance Session on "Internship in Cyber Security" was conducted on 29 June 2026 at 9:00 a.m. in the Seminar Hall. Ms. Amisha Yadav, Associate Information Consultant, QSEAP Infotech Private Ltd delivered the session. The objective of the session was to guide students on internship opportunities and career prospects in the field of cyber security.

During the session, Ms. Yadav shared her industry experience and highlighted the growing importance of cyber security in today's digital world. She discussed the essential technical and soft skills required for internships, including networking, ethical hacking, problem-solving, and effective communication. She also offered practical guidance on building a strong resume, earning relevant certifications, and preparing for technical interviews.

The session concluded with an engaging interaction in which students actively asked questions about internships, career paths, and skill development. Ms. Yadav addressed their queries with practical advice, making the session both informative and inspiring. The guidance provided helped students gain a clearer understanding of the steps needed to build a successful career in cyber security.
